

Shaker Desk Collection (\$1,725.00)

Our Small Shaker Desk is the essence of simplicity. The pencil drawer, two drawers for other office supplies and a file drawer offer sufficient storage for all the equipment necessary for student homework completion, or adult bill payment in a small apartment.

The larger version, The Shaker Jefferson Desk, offers twice the storage while being only a little bit bigger than The Small Shaker Desk. Custom sizes available, of course.

- File drawers are on metal glides
- Optional keyboard tray replaces pencil drawer
- Inspirations knobs standard on all Shaker Desks
