
Waterfall Bookcase (\$1,425.00)

Our Waterfall bookcase borrows from the Asian Arts and Crafts movement and makes itself at home in a dwelling with an exotic or contemporary flair. The legs have elegant curved front edges. The lower edge of the top is sharply beveled back to complement the legs and to give the piece a light, almost floating look.

- Made to order and customizable.
- Available in eight solid hardwoods
- Overhanging solid wood top
- Adjustable shelves
