

## Century Cabinet (\$4,205.00)

Our Century Collection is simple, practical and elegant. It features timeless designs that are both modern and classic. This cabinet is one of the most unique pieces from the collection. Its front legs elegantly curve outwards and support its handmade hardwood body.

- There are two 3" tall interior felt lined drawers in the 14" of interior space behind the framed beveled glass doors.
- Our elegant Waterfall Edge.
- Two interior dimmable LED lights.
- Hand-crafted pulls.
- Two large 8" tall drawers on the bottom of the cabinet on metal glides.
- Three adjustable glass shelves.
