
Century Pedestal Table (\$2,250.00)

Our Century Collection is simple, practical and elegant. It features timeless designs that are both modern and classic.

This table's solid hardwood base and top ensures it will last for generations. It features a split pedestal base to allow for the most room possible for chairs to fit around the table.

- Includes one self-storing 18" leaf.
- One inch thick top.
- Chamfer Edge treatment. Radius corners.
- Ample leg room for guests.
